REQUEST TO ATTEND LABAPALOOZA 2027

Hi ,

I'd like to attend Labapalooza 2027, Quartzy's conference for lab operations, procurement, and research teams. It takes place April 27–28, 2027 at the Royal Sonesta Boston in Cambridge, MA.

Attending will allow me to:

- *Gain practical strategies:* Sessions cover lab automation, compliance, supply chain resilience, and scaling operations.
- *Build skills and earn credentials:* I will participate in hands-on workshops and complete the official Quartzy Admin Certification.
- *Meet suppliers:* The exhibit hall allows me to negotiate pricing and learn new technology face-to-face.

Here are my estimated costs:

When I'm back, I'll share a summary of what I learned and recommendations for our team.

Thanks for considering,
